Goal
Persons affected by cancer may enhance their quality of life through the safe and effective delivery of acupuncture, massage and yoga with a focus on physical, mind-spirit, and social well-being. These treatment modalities can be successfully and safely integrated with conventional cancer treatments when delivered by trained professionals to improve outcomes for cancer patients.

Purpose
This course will provide licensed acupuncturists, licensed massage therapists, and trained yoga teachers an overview of evidence-based practice in cancer care. Topics of recent research findings, recommendations for treating common side-effects, ethical issues, safety issues and case presentations will be presented.

Target Audience
This program should be of interest to licensed acupuncturists, licensed massage therapists, and yoga teachers.

Educational Methods
Lectures, Question-and-Answer Sessions, Panel Discussions, Demonstrations
Educational Objectives

Upon completion of this course licensed acupuncturists should be able to:

• Explain Complementary and Integrative Medicine and its role caring for people with cancer.
• Discuss psychosocial issues common to people undergoing cancer treatment.
• Discuss communication techniques for interacting with other healthcare professionals.
• Discuss three oncology treatments and three side effects.
• Explain the benefits, indications, precautions, and contraindications of acupuncture for people with cancer.
• Discuss recent research findings related to the use of acupuncture in cancer care.
• Explain how to develop safe, evidence-based treatment plans for common side-effects of cancer therapy.
• Discuss ethical concerns related to acupuncture treatment when caring for people with cancer.
• Discuss safety issues related to the use of herbs among people with cancer.
• Discuss two key points regarding acupuncture and healthcare reform.
• Perform medical charting and documentation.

Upon completion of this course licensed massage therapists should be able to:

• Explain Complementary and Integrative Medicine and its role caring for people with cancer.
• Discuss psychosocial issues common to people undergoing cancer treatment.
• Discuss communication techniques for interacting with other healthcare professionals.
• Discuss three oncology treatments and three side effects.
• Explain the benefits, indications, precautions, and contraindications of massage for people with cancer.
• Discuss recent research findings related to the use of massage in cancer care.
• Explain how to develop safe, evidence-based treatment plans for common side-effects of cancer treatment.
• Explain and dispel the issues raised by the traditional massage contraindication for cancer.
• Describe common massage adjustments for surgery, radiation and chemotherapy.
• Perform an assessment for massage and formulate a treatment plan for a client with cancer.
• Perform medical charting and documentation.

Upon completion of this course
yoga teachers should be able to:

• Explain Complementary and Integrative Medicine and its role caring for people with cancer.
• Discuss psychosocial issues common to people undergoing cancer treatment.
• Discuss communication techniques for interacting with other healthcare professionals.
• Discuss three oncology treatments and three side effects.
• Explain the benefits, indications, precautions, and contraindications of yoga for people with cancer.
• Discuss recent research findings related to the use of yoga in cancer care.
• Explain how to develop safe, evidence-based treatment plans for common side-effects of cancer therapy.
• Discuss ethical concerns when teaching yoga to people with cancer in groups and individual sessions.
• Describe yoga practice modifications for the client with lymphedema or at risk for lymphedema.
• Discuss the role spirituality plays in coping with cancer.
Evaluation

A course evaluation form will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

Accreditation/Credit Designation

Licensed Acupuncturists
This course has been planned and implemented in accordance with the policies of the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM®). The University of Texas MD Anderson Cancer Center is approved by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM®) (Provider # 991) to provide PDA points to licensed acupuncturists. Agendas are subject to change as we are always striving to improve the quality of your educational experience. MD Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, scheduling conflicts, and so forth.

Photographing, audio taping and videotaping are prohibited.

Please let us know what specific topics, issues or questions you wish to see addressed or emphasized in this activity. Fax or e-mail this material to CME/Conference Management. All responses will be forwarded to the Program Chairs for consideration.
Registration Information
Onsite registration opens at 7:00 am on Wednesday, July 18, 2012 in the foyer outside the Conference Center, on the eighth floor of the Dan L. Duncan Building (formerly the Cancer Prevention Building), 1155 Pressler Street, Houston, Texas. The conference will begin at 8:00 am on Wednesday, July 18, 2012 and adjourn at 5:00 pm on Friday, July 20, 2012.

Advance registration is encouraged as space and materials are limited. Please see the registration form for applicable fees.

The deadline for advance registration is Friday, July 6, 2012.
• Acupuncturists and massage therapists must submit a copy of their license along with their registration form.
• Yoga teachers must submit a brief history of their training and background along with their registration form.

There are three ways to register:
• Mail to the Department of CME/Conference Management, Unit 1381, The University of Texas MD Anderson Cancer Center, PO Box 301439, Houston, Texas 77230-1439
• Fax to 713-794-1724
• Online at www.mdanderson.org/conferences

We accept the following forms of payment:
• Check (payable through US banks only)
• Money Order
• Credit Cards (MasterCard, VISA, and American Express)
• Cash (accepted at on-site registration only)

If you register online, a receipt/confirmation letter will be automatically e-mailed to the e-mail address you provide on the registration form. If you register by fax or mail, a receipt/confirmation letter will be sent to you within ten working days of receipt of your fee.

The conference registration fee includes tuition, conference program, breaks, and lunches. Please refer to the registration form for specific information regarding fees.

Refund/Cancellation Policy
The registration fee, minus a $50 administrative handling fee, is refundable if a written request is received on or before July 6, 2012. No refunds will be granted after that date. The request for a registration refund must include the tax identification number of the company or institution if registration was paid by a company or institution check. For additional information, contact CME/Conference Management at 713-792-2223 or toll free at 866-849-5866.

The Department of CME/Conference Management reserves the right to cancel activities prior to the scheduled date if low enrollment or other circumstances make it necessary. Each registrant will be notified by mail, e-mail, or at the phone or fax number given on the registration form.

In case of activity cancellation, the liability of the Department of CME/Conference Management is limited to the registration fee. CME/Conference Management will refund the full registration fee. The Department of CME/Conference Management reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.
Special Assistance
Contact the Department of CME/Conference Management at 713-792-2223 or toll free at 866-849-5866 if you have any special dietary or ADA accommodation needs. No dietary accomodations will be available on site.
