Pharmacy Grand Rounds

Brace Yourselves for Biosimilars

Wednesday, January 29, 2020
2:00-3:00 P.M.
Onstead Auditorium (S3.8012)

Presented by Emily Aboujaoude, PharmD, PGY2
Medication-Use Safety and Policy Resident

Target Audience: Pharmacists involved in the management of cancer patients. All nurses, advanced practice providers, physicians, health professionals and students involved in the management of cancer patients may also participate. This activity is not targeted for pharmacy technician education.

Educational Goal: To enhance pharmacists’ knowledge of the regulatory, scientific and safety considerations with biosimilars

Learning Objectives: At the completion of this activity, the participant will be able to:
- Summarize the manufacturing process of a biosimilar product
- Summarize data requirements in the regulatory process of a biosimilar product
- Identify a Food and Drug Administration (FDA) requirement for biosimilar interchangeability
- Recall a pharmacovigilance effort with biosimilar products

Type of Activity: Knowledge-based

Registration Information: On-site registration is required immediately prior to the activity (registration opens 20 minutes prior to and closes 5 minutes after activity start time). There is no registration fee for this educational activity.

Continuing Education Information: The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This knowledge-based activity has been approved for 1 contact hour (0.1CEU) under universal activity number 0532-0000-19-025-L04-P.

To successfully complete this activity and be awarded continuing education credit, the following requirements must be met:
- Present for the duration of the educational activity
- Participation in the activity learning assessment(s)
- Submission of Activity Evaluation (by close of business 2/5/20)

Pharmacists must provide their NABP e-Profile ID and date of birth (MMDD).

For other health disciplines, a letter verifying attendance will be provided upon request and following completion of items listed above.

Commercial Support: No commercial support has been sought nor received for this educational activity.

Speaker Information: Emily Aboujaoude has no relevant financial relationships to disclose.

Questions: Contact the Pharmacy Education team at PharmacyEducation@mdanderson.org.
