Complimentary Conference Registration for Board Review Attendees.

THESE TWO EVENTS ARE BEING HELD ON DIFFERENT DATES THIS YEAR.
GOAL
Palliative and Supportive cancer care is evolving to an important specialty to deliver optimal quality value based care to cancer patients. Many clinicians are unaware of the need for whole-patient care and attention to symptom management as well as quality of life improvements outside treatment of the primary disease. While cancer therapies are indeed crucial, the evolution of non-traditional health care settings places increasing emphasis on supportive care methods to improve quality of life for patients with advanced disease.

Caring for the cancer patient in the advanced stages of disease is particularly challenging to the healthcare team. It requires attending to the many dimensions of care including medical, psychosocial, ethical, and spiritual needs. In its 23rd year, the Interdisciplinary Conference on Supportive Care, Hospice & Palliative Medicine continues to offer participants educational updates to help them successfully implement new techniques and treatments in clinical practice to improve patient care and outcomes.

As a result of the participation in the conference, the conference organizing committee intends the participants to: Identify the moral and ethical dilemmas facing clinicians who provide End-of-Life care; Practice state-of-the-art pain and symptom management for patients with advanced disease; Demonstrate effective communication with patients in advanced stages of cancer or debilitating disease and provide quality end-of-life care; and exhibit heightened awareness of medical, legal and spiritual issues facing patients and families involved in the care of advanced disease.

EDUCATIONAL OBJECTIVES
After attending the conference, participants should be able to
• Provide effective communication with patients in the advanced stages of cancer or debilitating disease and provide quality End-of-Life Care (knowledge, competence, performance, patient outcomes);
• Identify and interpret the moral and ethical dilemmas encountered in palliative care, incorporating supportive care strategies to improve patient care (knowledge, competence, performance, patient outcomes);
• Practice state-of-the-art pain and symptom management for patients with advanced disease (knowledge, competence, performance, patient outcomes);
• Apply palliative care principals to life threatening disease in populations not limited to cancer patients (knowledge, competence, performance).

TARGET AUDIENCE
This program should be of interest to palliative care or hospice physicians, oncologists, internal medicine physicians, family practice physicians, psychiatrists, and/or anesthesiologists. Other professionals including hospice, nursing, psychology, chaplaincy, ethics, and/or sociology.

EDUCATIONAL METHODS
Lectures/Didactic • Workshop Sessions • Panel Discussion • Poster Session

EVALUATION
A course evaluation tool will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

ACCREDITATION/ CREDIT DESIGNATION
The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

GOAL
Caring for the cancer patient in the advanced stages of disease is particularly challenging to the healthcare team. It requires attending to the many dimensions of care including medical, psychosocial, ethical, and spiritual needs. In its 15th year, the Updates in Hospice and Palliative Medicine and Intensive Physician Board Review Course will continue to offer healthcare professionals with educational updates to help them successfully incorporate new information into practice and take the board certification examination. Physicians, fellows and advanced nurse practitioners will gain the knowledge and competence pertaining to symptom and pain management, issues facing patients at end-of-life, and effective communication techniques to implement into clinical practice.

It is expected that participants will be able to implement systematic management of pain symptoms, be able to assess the moral, ethical and psychosocial dilemmas facing clinicians during the end of life, demonstrate effective communication techniques with patients in the advanced stages of cancer or debilitating disease and provide optimal care for non-cancer conditions in a hospice and palliative care setting, thus improving end-of-life care while providing quality end-of-life care.

EDUCATIONAL OBJECTIVES
After attending the conference, participants should be able to
• Interpret spiritual, legal and medical issues facing patients at end-of-life (knowledge, competence);
• Provide optimal end-of-life care including symptom management, psychosocial support and state-of-the-art pain management (knowledge, competence, performance, patient outcomes);
• Demonstrate effective communication techniques with patients in the advanced stages of cancer or debilitating disease and provide quality end-of-life care (knowledge, competence, performance, patient outcomes);
• Identify non-cancer conditions needing palliative care (knowledge, competence).

TARGET AUDIENCE
This activity is targeted to physicians and fellows as a board review course for the Hospice and Palliative Medicine Board Certification, though some Advanced Practice Nurses may find the information beneficial.
The University of Texas MD Anderson Cancer Center designs this live activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ETHICS
The sessions marked with “∗” have been designated by The University of Texas MD Anderson Cancer Center for 10.75 AMA PRA Category 1 Credits™ in medical ethics and/or professional responsibility.

NURSING
The University of Texas MD Anderson Cancer Center is an approved provider with commendation of continuing nursing education by the Texas Nurses Association – Approver, and accredited approver with distinction, by the American Nurses Credentialing Center’s Commission on Accreditation.

Nursing Continuing Education Contact Hours will be awarded.

CME CERTIFICATES AND ATTENDANCE VERIFICATION CERTIFICATES
Certificates awarding AMA PRA Category 1 Credit™ or certificates documenting attendance will be emailed when an individual completes the online CME Verification process.

Upon request, a record of attendance (certificate) will be provided via email to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

(SEPTEMBER 24-26, 2019)
- On-site registration and check-in opens at 7:15 am on Tuesday, September 24. The Board Review Course will begin at 8:00 am and will adjourn at 5:00 pm on Thursday, September 26.

Updates in Hospice and Palliative Medicine and Intensive Physician Board Review Course registration fee includes materials, continental breakfasts, lunches, and breaks; it DOES include registration to the Twenty-Third Annual Conference; must register separately.

The Deadline for Advanced Registration for Physician Board Review Course is September 2, 2019.

**TWENTY-THIRD ANNUAL INTERDISCIPLINARY CONFERENCE ON SUPPORTIVE CARE, HOSPICE AND PALLIATIVE MEDICINE**

(OCTOBER 18-19, 2019)
- On-site registration and check-in opens at 7:15 am on Friday, October 18. The conference will begin at 8:00 am and will adjourn at 4:30 pm on Saturday, October 19.

The Conference registration fee includes the tuition, materials, continental breakfasts, lunches, and breaks; however, it DOES NOT include registration to the Updates in Hospice and Palliative Medicine and Intensive Physician Board Review Course

The Deadline for Advance Registration for the Twenty-Third Annual Conference is September 16, 2019.

There are three ways to register:
- On-line at www.mdanderson.org/conferences
- Fax to 713-794-1724
- Mail to: Department of CME/Conference Management, Unit 1781, The University of Texas MD Anderson Cancer Center, PO Box 301407, Houston, TX 77230-1407

We accept the following forms of payment:
- Check (payable to The University of Texas MD Anderson Cancer Center through U.S. banks only)
- Money order
- Credit cards (MasterCard, VISA, and American Express)
- Cash (on-site registration only)

When registering online a receipt/confirmation letter will be automatically emailed to the e-mail address you listed on the registration form. If you register by fax or mail a receipt/confirmation letter will be emailed to you within ten working days of receipt of your fee.

**REFUND/CANCELLATION POLICY**

The registration fee, minus a $50 administration-handling fee, is refundable if a written request is received on or before Monday, September 2, 2019 for the Physician Board Review Course and Monday, September 16, 2019 for the Twenty-Third Annual Conference. No refunds will be granted after these dates. The request for a registration refund must include the tax identification number of the company or institution if registration was paid by a company or institution check.

The Department of CME/Conference Management reserves the right to cancel activities prior to the scheduled date, if low enrollment or other circumstances make it necessary. Each registrant will be notified by mail, e-mail, or at the phone or fax numbers given on the registration form. In case of activity cancellation, the liability of the Department of CME/Conference Management is limited to the registration fee. CME/Conference Management will refund the full registration fee.

The Department of CME/Conference Management reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

For additional information, contact CME/Conference Management at 713-792-2223 or toll free at 866-849-5866 or via e-mail: register@mdanderson.org.

**SPECIAL ASSISTANCE**
