

The GORGEOUS Gael

Kitchen & Bar

15%

Every MD Anderson worker with a badge or ID card will receive 15% off their check.

We offer group packages or deals for any staff parties, retirement celebrations, birthday parties, etc.

We will give substantial help in organizing fund raising events such as casino night, carnival night, auction night, etc., for whichever charity we are working together on.

We also have the use of the car park whenever the need would require it if a big event needed to be organized.

We will pick a certain signature dish per month and from the item we pick we will give 50 cents for every dish sold to a charity of your choice.
