Math • Reading • Writing • Sciences • Spanish • ACT/SAT

Math

1st – 12th Grade

The math program analyzes the skills your child has missed or not comprehended in school. It allows students to go back and build the foundation needed for success in basic math.

Reading

1st – 12th Grade

The reading program gives your child practice in all basic language skills including phonics, vocabulary, comprehension, and applied skills such as reading rate and recall.

Writing

2nd – 12th Grade

From outline to essay, the writing program focuses on the foundation of writing. The program covers sentence and paragraph structure, grammar, punctuation, and spelling.

Study Skills

7th – 12th Grade

24-lesson study-skills program - Units on attitude improvement and goal setting, essay writing and research methods, note-taking techniques, and test-preparation strategies all teach students to use their time efficiently and effectively.

SAT/ACT Prep

Our unique SAT and ACT Smart programs can improve scores dramatically. The diagnostic test allows us to individualize your student's program to maximize his or her time with us.

WE ARE THE SOLUTION!
