Part Day Preschool Programs

Do you know the difference between the co-operative preschool, Montessori program, nursery school or church-based program in your neighborhood? Is it important for you to look for an accredited program?

When your toddler is ready for a group experience outside your home, make sure you find the program that is right for you.

Preschool and Junior Kindergarten Programs

Many parents seek a preschool or junior kindergarten placement for their child prior to kindergarten. These programs vary widely on philosophy, location, availability and cost.

Foundations for Families will help you locate, select and apply to the very best preschool or junior kindergarten for your child.

Child Care for Infants, Toddlers & Preschoolers

Parents who need full time child care for their young child are usually pressed for time. They want:

- Up-to-date information about availability and cost
- A comparison of centers that looks at researched-based indicators of quality
- Choices that reflect their priorities and needs
- A knowledgeable guide to manage the process

WE IDENTIFY HIGH QUALITY CHILD CARE OPTIONS THAT MATCH YOUR VALUES AND MEET YOUR NEEDS. THE CHOICE IS YOURS.

Foundations for Families has extensive information about child development centers and family child care in your neighborhood or near your place of work. You don't need to reinvent the wheel!

Foundations for Families' mission is to actively support families and communities in raising healthy, strong children.
