

- A website for MD Anderson education coordinators, administrators, and/or HR representatives to access digital resources for employees and download up-to-date promotional materials for distribution.
- Printed/digital collateral for distribution to employees or placement in employee intranet. Logo sharing on co-branded materials requires approval from both parties.
- Opportunities for interested employees to meet with a Post University representative to learn about educational opportunities (education fairs, rounds, presentations, etc.).

Communications and promotions will not be distributed without the mutual consent of both parties.

III. Exclusivity

This MOU is non-exclusive and does not prevent MD Anderson from entering into additional education agreements with other colleges and universities.

This MOU is not an affiliation agreement or superseding any liability insurance clauses of any other agreements. This MOU is only to provide the tuition and ancillary benefits as outlined in this document.

IV. Termination

This MOU renews annually and can be terminated at any time by either party, for any reason, with 30 days written notice. Upon termination of this MOU, Post University will maintain preferred tuition rates for all active MD Anderson employees who are students in good standing at time of termination. Thirty-day tuition deferment, per item number three above, will cease at time of termination.

Partner benefits are forfeited by students who separate from employment with MD Anderson immediately upon separation. It is the responsibility of the MD Anderson to notify Post University of the separation from employment.

AGREEMENT

This MOU is subject to any and all applicable state and local laws.

A handwritten signature in black ink, appearing to read 'Michael Rickart', is positioned above a horizontal line.
