Through a unique mix of challenging academics and the values of the Sacred Heart,

Regis empowers boys of all faiths to become lifelong scholars
and authentic, compassionate leaders.

MD Anderson Cancer Center Scholarship at Regis

The Regis School of the Sacred Heart wants to thank all MD Anderson employees for the valuable part you play in fighting cancer and helping patients both inside and outside of the Houston community. For MD Anderson employees who apply their sons to Regis, there is an opportunity to win a \$15,000 scholarship! This exclusive opportunity is only open to the MD Anderson community, and all employees are eligible!

Here's How it Works

Step 1

Learn more about *The Regis Experience* on our website at www.theregisschool.org/scholarship or scan the QR code

Step 2

Come check out Regis! Call our Admissions office for details about how to see our campus and meet our community or inquire and register online for a tour.

Step 3

Apply to Regis! Our application deadline is February 1.

Step 4

Get accepted to Regis. If your son meets our admission criteria and your family would be a great fit for our community, you'll learn of his acceptance on March 10.

Step 5

Apply for the Scholarship. Once accepted, you'll receive a scholarship application which will be reviewed by a committee, who will select one recipient.

Step 6

If chosen as this year's recipient, receive a \$15,000 tuition award! This scholarship is good for one year. If your family requires financial assistance to stay at Regis past the first year, you will receive priority consideration in our financial assistance process.
